

FAH INDEPENDENT STUDY APPLICATION FORM

Independent studies in the History of Art are for the development of projects under the individual supervision of a faculty member. Students interested in an independent project should follow these guidelines:

- projects should be developed the semester **before** they are to be undertaken through consultation with the relevant faculty member
- only full-time St. George faculty may supervise projects <http://art.utoronto.ca/faculty/>
- the attached form must be completed and submitted by the course add deadline
- only students with a B average are allowed to take independent studies except by special permission of the Director of Undergraduate Studies
- only one full credit of independent study is allowed
